

Richmond, a Garden of International Significance at Carterton, Wairarapa.

ELCOME to Weekend Gardener magazine's fourth annual New Zealand Gardens Trust Guide.

Visit the New Zealand Gardens Trust gardens and be inspired by the planting skills, creativity, colour combinations, unique features, gardening styles, and the sheer majesty of beautiful landscapes.

The Trust's gardens listed here are divided into four categories: Garden of International Significance; Garden of National Significance; Garden of Significance; and Registered Garden.

Some of the gardens are world class with four being newly selected as Gardens of International Significance. Gardens of Significance have been critically evaluated by two assessors so that you will be in no doubt of their quality and all Registered Gardens have been visited by an assessor and must meet a minimum standard.

This guide was produced as a supplement for Weekend Gardener (issue #262). For more regularly updated information on NZ Gardens Trust gardens, see our comprehensive website: www.gardens.org.nz

Weekend Gardener

Palmco, NZ's leading supplier of large field grown palms, has been awarded the New Zealand Gardens Trust (NZGT) Garden of National Significance status for its stunning Display Garden at Palmco's Nursery in Kerikeri, Bay of Islands.

Designed and developed by Palmco's resident landscape architecture and design team, this garden was inspired by the Supreme Award winning Palmco garden at the 2007 Ellerslie International Flower Show. The judges had this to say about the Palmco display garden

"Palmco have created a very tasteful garden displaying a range of sub-tropical flora all put together with flair and soul. The construction and maintenance is of the highest order set off by magnificent stands of palms and cycads. The restrained pool plantings are an absolute delight. Some colour is provided by controlled plantings of day lilies of one colour and by hippeastrums providing excellent accents ... ground cover throughout the garden has been used effectively ...

It was a great pleasure to visit."

The Palmco Display Garden and retail store is open for viewing weekdays and from 10am - 4pm Saturdays at 32 Wiroa Rd, Kerikeri, Bay of Islands, ph 09 407 9293. From a single specimen palm to a full garden design and landscaping project Palmco can transform your garden whatever the style, size or location. Contact Palmco Auckland located at 88 Merton Rd, Glen Innes. Ph 0800 BIG PALM or 09 521 4083. www.palmco.co.nz
